

APPENDIX A-3

MEDIA AND STATUS CODES

1. Number of characters: One.
2. Type of code: Alpha/Numeric.
3. Field Position: 7.
4. Explanation: These codes indicate preference as to recipient of status and media of transmission and apply to all requisitions of Issue Priority Designators 1-15. A significant entry in pos. 54 will indicate 100 percent supply and shipment status to the activity designated in pos. 54 on all priorities regardless of the entry in pos. 7. The means of transmission specified in the original document may be overridden, however, on documents transmitted from a supply source through DAAS, if the addressee is serviced by a data pattern terminal.
5. The following codes are assigned:

a. M&S Codes Used With FT Series DI Codes:

a. Supply Status (AE_) or Shipment Status (AS_ or AU_), as applicable, will be furnished.

b. When pos. 54 contains a nonsignificant code and pos. 7 contains a zero (0) 8 or Y, furnish status to requisitioner (pos. 30-35).

c. When the cancellation request contains a garbled quantity, the Status Document DIC AE_ with Status Code CD will only be forwarded to the activity designated by the third position of the DIC AC_/AK_ cancellation document.

d. When there is no record of DIC AC_ and the DIC AK_ is converted to an DIC AC_.

e. For supply source initiated requisition status during processing of DICs A0_, A2_, A3_, A4_, and those AM_ and AT_ transactions processed as requisitions, the supply source will transmit only DIC AE8/AS8 status transactions to DAAS. DAAS will convert the AE8/AS8 and make distribution in accordance with current rules governing the distribution of status.

f. Shipment status will always be provided to the ship-to activity designated by the signal code.

7. The following chart is provided, for the generation of Supply and Shipment Status, when other than above documents in paragraph 5 are received and the processing action requires Supply and/or Shipment Status to be forwarded. It should be remembered that, regardless of the entry in pos. 7, status will be provided to pos. 54 whenever applicable.
